Board members were very supportive of the work plan as written. Suggested additions to the plan include quarterly updates on the fiscal status of the levy and a Public Relations event when the new Mobile Medical Van goes into operation.

Chair's Report

Loran asked for suggestions on how to develop the board as many positions are unfilled. Input included:

- If you are an outgoing board member, meet with your Councilmember. For example, Councilmember Lambert asked Kathy Brasch to make recommendations to her.
- It is important for board members to communicate information from the VHS Levy to other groups within the district you represent.

Petitions/Communications (Public Comment)

- Curtis Thompson is very interested in the Mobile Medical van as he served in the field in Vietnam with the mobile dental service.
